

LCF was established in 1985 to teach French and Spanish to young learners

- *Le Club Français* and *El Club Español* are the leading lights in language clubs throughout the UK amongst children aged 3-11.
- We currently run a number of after-school and lunchtime clubs, as well as offering the possibility of breakfast clubs where teachers are available. We also hold clubs in nurseries and offer PPA-time school courses for French and Spanish
- All of our clubs are run by enthusiastic club leaders who are fluent in French or Spanish, promoting a good accent and pronunciation. They are fully trained and CRB-checked and all clubs are fully insured by our Public and Employer's Liability Insurance.
- Each week our members take part in a variety of games, songs, role plays, quizzes and storytelling activities, embracing a fun and relaxing teaching style.

Introducing Babelzone – our award-winning interactive website

- Designed by our team of educators and teachers, *BABELZONE* is a fun and interactive website used by our members, as well as many schools and nurseries over the world.
- *Le Club Français* and *El Club Español* have integrated *BABELZONE* in to their French and Spanish clubs and in-school classes, and with its Smartboard accreditation, it works perfectly with your interactive whiteboards. We also offer *ENGLISHZONE* to help with literacy.
- *BABELZONE* is packed with hundreds of things to do and comes with a club membership (normally costs £69+ to subscribe without membership). The stories, animated songs, games and print and play activities will keep children interested for hours and hours.

Alternative PPA Cover with LCF

- In school, we offer short, focused whole (or half) class lessons. Our up-to-date KS1 and KS2 courses contain engaging and stimulating tasks and reflect our club experience with great activities and an accompanying exercise book to keep track of children's progress at every stage.
- All of our KS2 courses follow the updated QCA guidelines for Primary MFL (updated 2008).

"Informality and fun are the keys to learning with LCF Clubs..." – The Times Educational Supplement
