

## LCF FRENCH HOME LEARNING CHOICE ACTIVITES

Try to do a French activity at least once/twice a week, or more often if you like! Variety is the spice of life! Remember, the more often you practise, the better you will remember. Why not do some with your family or teach a sibling? Some activities contain links, these will also be printed out in full at the end in case you receive a printed version of this document. If you video/photograph yourself, send your class a tweet as well as @boltonlanguages!
